The Shriners' Pledge

When the Color Guard presents the Colors, the Potentate will cause the Nobility to come to attention and salute. After the salute is rendered, the following pledge will be recited in concert:

> *I pledge allegiance to my Flag and to the principles for which it stands, one Brotherhood indivisible, with Liberty and justice for all.*

The Color Guard will then escort the Colors to their proper position while the Nobility continues at attention.

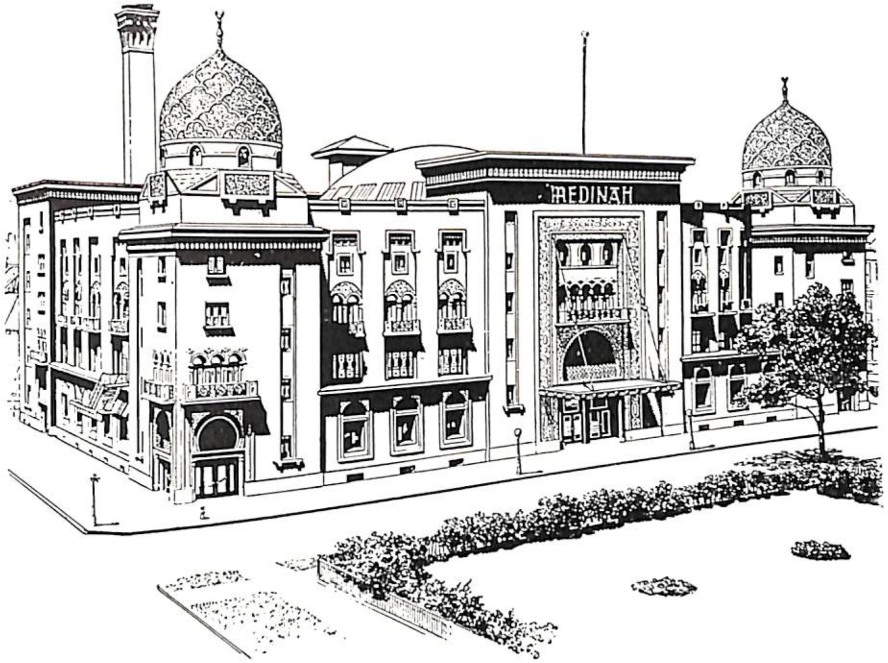
Medinah's Flag

May it ever wave over a Loyal
and United Membership!



Mosque of Medinah

Dedicated to Good Fellowship, Clean Fun, Gentlemanly Conduct, a wholesome and manly Life and Service to God, our Country and our Fellowman.

To Be Remembered

"The Shriner's code requires him to realize that his initiation is never complete. Whatever may be his years and dignities, in this respect he stands as a perpetual novice. Without a sense of humor sufficient to include his own immediate and present misfortunes, he is not of the Shrine elect.

"He should always wear displayed the emblem of the Order, and he should always recognize it when worn by other men. There should be no formalities of introduction between Shriners.

"The Fez is his hall mark. He must wear it on occasions in which the Shrine as a body joins. He should not remove his Fez indoor nor in salutation. He must be very certain not to wear it in any place where he could not willingly take his wife or daughter, or be seen by them.

"He is at home in any Temple, anywhere, and at any time. His privileges are equal to those of immediate membership; in fact, they are greater, and for that reason not to be abused.

"He must realize that vulgarity and honor have little in common, and his code teaches him that he may be witty and still preserve his self-respect.

"He is never to forget that while his Order is not a branch of the great Masonic profession, he himself is a part, and, however humble that part, it is within his power by misconduct to bring reproach upon that which is akin to the holy. He is also to remember that in the eyes of the profane, the Shrine is Masonry. Distinctions and differences, to him a matter of course, are to others unknown.

"To him the emblem of the Shrine worn by a woman places her under his special care and protection, nor may he avoid the responsibility. Its presence does not license him to speak, but it does compel a constant watchfulness over her safety and comfort. He knows it to be the proud boast of the Order that a woman wearing this insignia may travel alone from the Atlantic to the Pacific free from insult and annoyance, and yet never beyond a silent, unseen, constant ward and guard."

Advice to Candidates

Don't feel abused if you feel a kick in the solar plexus. It was the mistake of a friend who was trying to find your face.

A rope in the hand is worth two around the neck.

There may be moments when you wish yourself back home. But think how happy you will be when you get there.

Every Noble present, and gleefully gloating over your trials, has trod the same path and has eventually recovered his health.

Don't hesitate to go home when you've finished the journey. Your own folks may let you in, but no one else would.

If your guide asks you to do anything undignified, don't hesitate to refuse. Say firmly, but gently, "I won't," and wait for results.

The Novice who makes good is the one who removes his gag and says, "Give me the limit."

Certainly, you may carry a sponge with you, but be sure that it contains no moisture. This is a "dry" Ceremonial, you understand.

You are at liberty to pick enough hair out of the camel's tail to make a shaving brush, and you may select a "bonehead" for the handle.

Ordinarily, you might be the funniest man that ever picked his teeth, but don't display your wit on this occasion. All the funny things have been arranged.

Be a live wire and you won't get stepped on. It is only the dead ones that are used for door mats.

Coat your feet with glue, and then after crossing the Hot Sands, you can sandpaper the bumps from other parts of your anatomy.

There are lawyers, professors, painters and butchers in the Patrol. If they ask you to sing—sing—it will be better for you.

Examine the buttons on your overalls. A grave responsibility may rest upon them before you get through.

Don't come in a swallow-tailed coat. The Shrine bulldog will make mincemeat of it.

Don't try to find which is the business end of the goat. Both are full of it.

Don't wear that "good" suit. Renovating clothes is part of the degree work.

Don't forget to show your brand marks to your friends—no matter where you are branded.

Tell the wife where you are going, but not when you will be back. She may not know you when you show up, anyway.

The Patrol are hardened sinners and can't be coaxed to let you off easy. They got theirs, and generously pass it along.

For the Glory of Medinah

Program of the Golden Anniversary
of the Arab Patrol in Shrinedom, March 27, 1936

Fifty years ago the first Arab Patrol unit was formed and drilled by our own Frank C. Roundy, P. I. P. It was his idea to have such an organization as an escort to the Imperial Potentate and from that gem of a thought every Temple today has its Patrol and what an asset they are to our Shrine Temples. What would we do without these Nobles working in the Second Section of our Ceremonials? They are the backbone of the Director's Ritual. They may sometimes be called "the wrecking crew" but they do get results—Yes! very adequate results.

Medinah is justly proud of her Illustrious Noble Frank C. Roundy P. I. P.

CARL A. MILLER
Potentate

For the Glory of Medinah

To the Nobility of Medinah Temple:

The confidence you have reposed in me through your unanimous expression elevating me to that of Potentate of Medinah Temple is a realization that can come to but few in this great Fraternity and to you Nobles — all of you, I am sincerely grateful and ask your co-operation.

It is my desire and hope to be constructive in every thing I do.

It will be my constant aim to discharge the responsiblities incumbent on this office in a manner that may prove myself worthy.

I recognize the fact that Medinah Temple is a tremendous institution, large in membership; great in ideals; and influence — and I also recognize the fact that I must not only maintain it up to these standards, but I must also promote harmony among the Nobility and a greater interest in Shrinedom or I will have failed in my stewardship.

In this statement you will recognize my aims and desires and can be assured that I will direct my every effort to attain the goal I have set up for myself.

As an organization man, I appreciate the value of co-operation and it will be my privilege to call to activity every Noble who finds work in Medinah a surcease from his daily occupation—those grand, fine Nobles who get a joy out of working for the enjoyment of others — the Divan, the organized units, and the many individuals who do things for the Temple.

The various announcements that you receive from Medinah will tell you about the many things that are happening in the Temple. My greatest hope is that you will participate in every one of them and enjoy, to the utmost, that spirit of friendship and Fraternity which has always prevailed in Medinah Temple.

"I pray the Prayer the Easterns do; May the Peace of Allah abide with you. Wherever you stay, wherever you go, May the beautiful palms of Allah grow. Through the days of labor and nights of rest, May the love of sweet Allah make you blest. So'll touch my heart as the Easterns do:—May the peace of Allah abide with you."

Sincerely yours in the faith,

Carl A. Miller

You Can Pay $60.00 and Be Exempt from All Future Hospital Assessments

A new by-law adopted by The Imperial Council AAONMS makes it possible for each Noble to be a perpetual supporter of the Shriners' Hospital for Crippled Children.

> "Any member upon the payment of the sum of sixty dollars ($60.00) shall receive a receipt therefor from the Recorder of his Temple, and shall be exempt from any further assessments for the Shriners' Hospitals for Crippled Children. Upon the payment of such sum to the Recorder, he shall cause his record to show the exemption of such member from future hospital assessments."

Nobles desiring to pay up the assessment this way will see the Recorder who will be most happy to explain all details relative to same.

AN OPEN LETTER TO THE NOBILITY OF MEDINAH TEMPLE:

OUR hospital is entitled to first place among children's charities in the State of Illinois. We operate the only one hundred per-cent free non-tax-supported crippled children's hospital in the State of Illinois where the service, braces, casts and all that goes with it is free to those worthy of charity service.

The devastating decrease in Shrine membership has made it necessary to ask for help. There are those who could remember us in wills; there are many who could organize fund raising campaigns, but there are thousands of members in Medinah Temple and many thousands of their friends who will be glad of the opportunity to help us in our new fund raising campaign and here it is:

SAVE YOUR OLD NEWSPAPERS AND MAGAZINES

CALL HOSPITAL OFFICE MERRIMAC 9170

We will send a truck for all the old newspapers and magazines you have, regardless of quantity. One thousand tons a month should be an easy accomplishment if everybody will lend a helping hand. Just call the hospital office, leave your name and address with the approximate quantity; we will do the rest. Please be assured that your co-operation will be appreciated.

Will H. Wade, *Chairman, Board of Directors*

We can think of nothing more noble than to leave a generous bequest to the Chicago Unit—Shriners Hospital for Crippled Children in the wills of big-hearted men.

Note: Attorneys and Trust Officers, keep us in mind when you are drawing wills

The Illinois Masonic Orphans Home
at La Grange

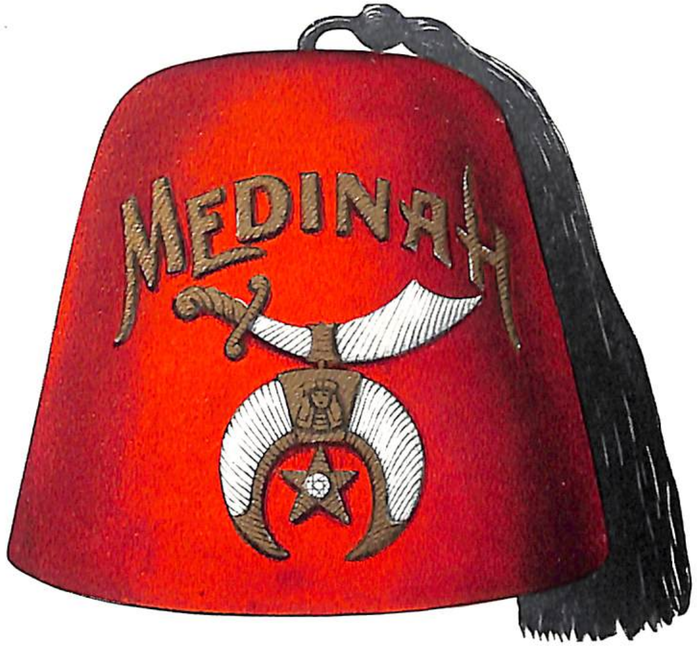
Robert J. Daly, P.P. — *President*

Medinah Temple has always been interested in the Illinois Masonic Orphans Home and has evidenced that interest by many generous contributions to the children's entertainment fund.

The Home is maintained under the auspices of the Most Worshipful Grand Lodge of A. F. & A. M. of Illinois, and administered by a Board of Managers appointed by the Grand Master. Illustrious Robert J. Daly, Past Potentate of Medinah is president of this Board. With him are associated Brothers Carl B. Dunlap and Harry H. Talcott. The Grand Master and Deputy Grand Master, are members, ex-officio of the Board. Noble Fred S. Lynn is superintendent.

Nobles of Medinah are always welcome visitors in this Home where the coldness of institutionalism is so completely crowded out by the warmth of a real home that its 250 children lead lives as happy and normal as any in private homes.

For the Glory of Medinah



The Fez

- Is the insignia of a Noble of the Mystic shrine.

- **When is it worn?**
  On any Shrine occasion.

- **Where is it worn?**
  A real Shriner will never wear it in any company or place in which he would decline to introduce his mother, wife, sister or daughter.

- *May the Red Fez of Shrinedom and the White Apron of Masonry be Spotless for all time*
